# OCR Training

**OCR Training offers a comprehensive programme of training events to provide essential support in the delivery and assessment of the full range of OCR qualifications.**

Each year, we organise more than 1,500 courses of half or one day's duration at accessible locations around the UK, employing trainers who are experts in their field. We can also arrange for our courses to be delivered in-house and tailored as necessary to meet your needs.

Details of our programmes are mailed to your centre in June and December each year and are also available on the [OCR website](#). To supplement this, your centre will receive a number of other training updates as our training programme develops.

You can now search and book on training events through [EventBooker](#), our new online booking service.
