23rd January 2014

Dear Charlotte,

As an employer within the Digital Media sector we believe that the following qualifications enable students in the 16-19 age range to develop specialist knowledge and skills relevant to employment in this sector and that the standard of knowledge and skills is suitable for an 18 year old in full time education. We believe a student who achieves one of the following qualifications should be effectively prepared for related jobs, apprenticeships, training or higher education courses:

600/6176/5 OCR Level 3 Cambridge Technical Introductory Diploma in Media (QCF)
600/6100/5 OCR Level 3 Cambridge Technical Subsidiary Diploma in Media (QCF)
600/6197/2 OCR Level 3 Cambridge Technical Diploma in Media (QCF)
600/6177/7 OCR Level 3 Cambridge Technical Extended Diploma in Media (QCF)

We look forward to working in partnership with OCR to ensure that their qualifications are appropriate to our sector and that our needs and those of our clients continue to be reflected in the content and learning.

Yours sincerely,

Leah Aldersley
Acting Head of HR
