FURTHER MATHEMATICS

Entry Codes and Rules of Combination		Availability: January 2012 1A12	Availability: June 2012 6B12	Max Uniform Mark
3892	**AS GCE Further Mathematics (Certification)** **QRN: 10060200**	!X	!X	**300**
	To certificate for 3892, candidates must have certificated or be certificating for 3890 (AS GCE Mathematics) or 7890 (Advanced GCE Mathematics). Alternatively candidates may enter for a GCE qualification from a different specification, but see note Z at the bottom of the table. For a certificate candidates must have taken the following **mandatory unit:** 4725 The remaining **two** units may be any other two, as long as: • **six** different units are required for certification in AS GCE Mathematics and AS GCE Further Mathematics; • **nine** different units are required for certification in Advanced GCE Mathematics and AS GCE Further Mathematics; • units 4721, 4722, 4723, 4724 **may not** be used in Further Mathematics.	For details of units see page 45		
7892	**Advanced GCE Further Mathematics (Certification)** **QRN: 10060224**	!Y	!Y	**600**
	To certificate for 7892, candidates must have certificated or be certificating for 7890 (Advanced GCE Mathematics). Alternatively candidates may certificate for A level Mathematics from a different specification, but see note Z below. For a certificate candidates must have taken the following **mandatory unit:** 4725 and at least one from 4726, 4727. The remaining **four** units may be any other four, as long as: • **twelve** different units are required for certification in Advanced GCE Mathematics and Advanced GCE Further Mathematics; • at least **two** of the four units are A2 units; • units 4721, 4722, 4723, 4724 **may not** be used in Further Mathematics.	For details of units see page 45		

Notes:

X Centres are **strongly advised** to apply for recertification (or certification) for 3890 (and 7890 if enough units have been sat) in the same series as certificating for 3892 (see note Z below). This makes all units available to optimise the grade for each qualification.

Y Centres are **strongly advised** to apply for recertification (or certification) for 3890, 7890 and 3892 in the same series as certificating for 7892 (see note Z below). This makes all units available to optimise the grade for each qualification.

Z **If a candidate has certificated or is certificating for AS Mathematics or A level Mathematics with a different specification or awarding body, a manual certification form must be completed and returned to OCR. This form is available on the Entries section on the OCR website, the GCE Mathematics pages on the OCR website or may be requested by emailing** fmathsmancert@ocr.org.uk

To certificate for 7896, candidates must have certificated or be certificating for 7895 (Advanced GCE Mathematics (MEI)). Alternatively candidates may certificate for A level Mathematics from a different specification, but see note Z below. For a certificate candidates must have taken the following **two** mandatory units: 4755, 4756 The remaining **four** units may be any other four, as long as: • **Twelve** different units are required for certification in Advanced GCE Mathematics and Advanced GCE Further Mathematics; • at least **two** of the four units are A2 units; • units 4751, 4752, 4753, 4754 **may not** be used in Further Mathematics.	For details of units and options see page 49		

Notes:

X Centres are **strongly advised** to apply for recertification (or certification) for 3895 (and 7895 if enough units have been sat) in the same series as certificating for 3896 (see note Z below). This makes all units available to optimise the grade for each qualification.

Y Centres are **strongly advised** to apply for recertification (or certification) for 3895, 7895 and 3896 in the same series as certificating for 7896 (see note Z below). This makes all units available to optimise the grade for each qualification.

Z **If a candidate has certificated or is certificating for AS Mathematics or A level Mathematics with a different specification or awarding body, a manual certification form must be completed and returned to OCR. This form is available on the Entries section on the OCR website, the GCE Mathematics pages on the OCR website or may be requested by emailing** fmathsmancert@ocr.org.uk
