Subject: **OCR Level 3 Technical Certificate in Media**

Dear Sir / Madam

As an employer within the Printing Services sector we believe that the following qualifications will enable students in the 16-19 age range to develop specialist knowledge and skills relevant to employment in this sector and that the standard of knowledge and skills is suitable for an 18 year old in full time education. We believe a student who achieves one of the following qualifications should be effectively prepared for related jobs, apprenticeships, training or higher education courses:

600/6176/5 OCR Level 3 Cambridge Technical Introductory Diploma in Media (QCF)
600/6100/5 OCR Level 3 Cambridge Technical Subsidiary Diploma in Media (QCF)
600/6197/2 OCR Level 3 Cambridge Technical Diploma in Media (QCF)
600/6177/7 OCR Level 3 Cambridge Technical Extended Diploma in Media (QCF)

We believe the skills and knowledge the students taking these qualifications will act as a basis for further progression either in the workplace or in further study at school or college.

The content within these qualifications prepares the learners for a career in this sector and we support them for inclusion in the school and college performance tables for 16-19 year olds.

Yours faithfully

Dawn Roughley
