Dear Charlotte

OCR Level 3 Cambridge Technicals in IT

I confirm that I have been provided with an opportunity to review the final content of the qualifications listed below to assess their suitability for recognition as Applied General Qualification designed for entry to Higher Education:

- OCR Level 3 Cambridge Technical Certificate in IT (601/7097/9)
- OCR Level 3 Cambridge Technical Extended Certificate in IT (601/7098/0)

I am happy now to support these qualifications for entry to Higher Education and for accreditation and recognition as Applied General qualifications on the basis that the learning provided by the units will provide students with a sound knowledge base on which to build should they wish to progress further with this subject as well as providing them with a broadly applicable skills set to aid their progression.

I would certainly be happy to consider someone with these qualifications for entry into our courses in Computing and Technology at Anglia Ruskin University alongside other relevant qualificatiaons such as A Levels.

Yours sincerely,

Ian Oxford
Deputy Head, Computing and Technology
Anglia Ruskin University

CC Pat Watson, Prof Marcian Cirstea, Anglia Ruskin University.
