

## Correction

### Entry Codes: GCSE Mathematics B

We have identified an amendment to page 166 of the *Entry Codes: 14–19 Qualifications 2012/13*. The Higher Tier papers should be listed as Paper 3 and Paper 4, and the related component codes as 03 and 04. Please correct this in your hard copy Admin Guide; the online version is correct and up to date.

The relevant table is replicated below with the above errors corrected.
