6 “Now I am going to give you a workplace scenario”.

(The presenter gives the learner a printed copy of the workplace scenario and also reads the scenario out).

Katherine, aged 16, has just started work in an engineering workshop. The supervisor has given her a job description, but has said nothing about pay and holidays. Katherine is concerned that she does not know what her pay and holidays are.

“Now I am going to ask you a question about the workplace scenario”.

What can you tell Katherine about her terms of employment as a young person, with regard to pay and holiday entitlement?
