BBC TO REMOVE WEBWISE E-ASSESSMENTS FROM 31 DECEMBER 2013

Centres with candidates taking an OCR Level 1 IT User Skills qualification have been able to use the e-assessments from BBC WebWise towards the overarching qualification.

Unfortunately, the BBC has reviewed their strategy and will not be offering the e-assessment from 31 December 2013. The full details of their decision are available on the BBC website at

OCR is committed to the assessment of candidates for ICT and is working on a solution for centres.

Once confirmed, full details will be provided via Subject Information Updates and e-alerts. You can sign up here to be kept up to date with any changes at
