Are you holding an offer at the
University of Cambridge?
OCR bursary worth £3,000 per year

What is the OCR bursary?

Leading Awarding Body OCR is committed to recognising and encouraging the achievement of all learners. As part of this ongoing commitment, a fund has been established to provide bursaries and prizes to students. This fund, arising from OCR's historical association with the West Midlands Examinations Board, is to help talented students from the West Midlands make the most of their opportunity of studying at the University of Cambridge.

For the academic year 2014/2015, up to 10 new first year students studying at the University will be awarded a bursary of £3,000 per annum for the duration of their undergraduate studies.

The bursary will be paid directly to the College and will be credited against the student's College bill. Students may choose whether the bursary is used for living costs, tuition fees or a combination of both.

The bursary will be subject to certain conditions of renewal. These conditions include the student meeting a minimum academic standard (usually second-class honours level) and confirmation by the College of the student's continued enrolment.

Applicants should include the following information in their "Applicant self-profile":

- any particular needs that might be helped by the bursary
- information about any particular notable achievements within and/or outside school
- any special circumstance they wish to bring to the attention of the selectors

Who can apply?

Applicants who:

- have completed or are completing their secondary education in a school, sixth-form college or FE college within the geographical boundaries of any of the following Local Education Authorities: Birmingham, Dudley, Coventry, Sandwell, Solihull, Walsall, Wolverhampton, Herefordshire, Shropshire, Staffordshire, Warwickshire or Worcestershire

- are eligible for 'Home' fee status
- have been offered a place on a full-time undergraduate degree course at the University of Cambridge (including those who are taking or who propose to take a gap year)
- have not been awarded funding or sponsorship for university study by any other organisation or scheme (candidates who are eligible may also apply for a University of Cambridge bursary and the National Scholarship Programme).
- have, or anticipate being awarded, an OCR qualification (eg GCSE, AS/A Level) contributing to their academic profile upon which the offer of a Cambridge place is based
