Subject: Set texts for GCE English Literature

SET TEXTS FOR GCE ENGLISH LITERATURE

Please be advised that OCR will not be issuing a new list of set texts for A Level English Literature in 2014. Due to the timetable for General Qualifications Reform, we will continue with the current lists of set texts until the end of the life of this specification.

The new GCE English Literature specification will be available for first teaching from 2015. We anticipate accreditation from Ofqual by September 2014, at which point draft versions of the new specification, along with new set text lists, will be available on the OCR website at www.ocr.org.uk/qualifications/by-type/as-a-level-gce.
