Subject: Removal of J241 (unit A144) Data Analysis Task: Wave speed

### **J241 GCSE Science A (Twenty First Century)**

#### **Unit code A144 data analysis task: Wave speed**

It has come to our attention that there is a problem with the A144 data analysis task, Wave speed, for submission in 2015. As a result, **this task has been withdrawn with immediate effect.**

To be fair to all candidates, this task will no longer be valid for submission in June 2015. An alternative task will be uploaded onto OCR Interchange as soon as possible.

If your candidates have already completed this task, this will not be valid. They will unfortunately have to complete the alternative task or one of the other data analysis tasks for submission in June 2015.
