6 “Now I am going to give you a workplace scenario”.

(The presenter gives the learner a printed copy of the workplace scenario and also reads the scenario out).

Brian, aged 19, has just started work as a trainee in an engineering workshop. The supervisor tells him that he will be operating different types of machine.

“Now I am going to ask you a question about the workplace scenario”.

“What can you tell Brian about his responsibilities as an employee using machines and the responsibilities of his employer?”
