

Mrs C Bosworth
Director of Skills and Employment
OCR (Oxford, Cambridge and RSA Examinations)
Progress House
Westwood Way
Coventry CV4 8JQ

23 September 2014

Dear Charlotte,

RM Education is a leading provider of ICT Software and Services to schools and government ministries in the UK and overseas. We employ over 1,800 staff in the UK and India within a wide range of technology, managerial and professional disciplines.

As an employer with a large proportion of our staff within the IT occupational group we believe that the following qualifications will enable students in the 16-19 age range to develop specialist knowledge and skills relevant to employment in this sector and that the standard of knowledge and skills is suitable for an 18 year old in full time education.

We believe a student who achieves one of the following qualifications should be effectively prepared for related jobs, apprenticeships, training or higher education courses:

600/4222/9 OCR Level 2 Cambridge Technical Diploma in IT (QCF)
600/4225/4 OCR Level 2 Cambridge Technical Extended Certificate in IT (QCF)

We have worked closely with OCR on educational developments with technology and have an awareness of their qualifications. We also believe the skills and knowledge gained by the students taking these qualifications will act as a basis for further progression.

Please do not hesitate to contact me if I can provide any further information or clarification.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Angela Sherwood', written over a horizontal line.

Angela Sherwood
Human Resources Director
