OCR (Oxford, Cambridge and RSA Examinations)
Progress House
Westwood Way
Coventry CV4 8JQ

12th September 2014

Dear Charlotte

As an employer within the IT occupational group we believe that the following qualifications will enable students in the 16-19 age range to develop specialist knowledge and skills relevant to employment in this sector and that the standard of knowledge and skills is suitable for an 18 year old in full time education. We believe a student who achieves one of the following qualifications should be effectively prepared for related jobs, apprenticeships, training or higher education courses:

600/4222/9 OCR Level 2 Cambridge Technical Diploma in IT (QCF)
600/4225/4 OCR Level 2 Cambridge Technical Extended Certificate in IT (QCF)

TAG have actively worked with OCR for 10 years on the development of digital qualifications and content and have a detailed understanding of their content, processes and qualification requirements and believe the skills and knowledge the students taking these qualifications will act as a basis for further progression.

Yours sincerely,

A handwritten signature in blue ink, which appears to read 'Matt Wingfield', is written over a horizontal blue line.

Matt Wingfield
