J948 LEVEL 1/2 CERTIFICATE IN APPLIED HISTORY – CLARIFICATION TO SPECIFICATION

CLARIFICATION TO SPECIFICATION

In the specification, section 4.4, page 82, we have added the sentence:

“Please note that different set tasks for unit B951 will be issued each year”.

It has always been the case that OCR has issued different set tasks for B951 each year. Therefore this is not a change to the assessment, but a clarification. This will particularly apply to any candidates who may be re-sitting the unit in the next year; they have to complete a different task.
