Dear Charlotte Bosworth

As a professional body who represents the business and financial sector we believe that the following qualifications will enable students in the 16-19 age range to develop specialist knowledge and skills relevant to employment in this area and that the standard of knowledge and skills is suitable for an 18 year old in full time education. We believe a student who achieves one of the following qualifications should be effectively prepared for progression to related jobs, apprenticeships, training or higher education courses:

600/4220/5 OCR Level 2 Cambridge Technical Diploma in Business (QCF)
600/4223/0 OCR Level 2 Cambridge Technical Extended Certificate in Business (QCF)

- We believe that these qualifications will allow learners to develop the skills and knowledge they will need to progress into more specialist qualifications in the sector or directly into employment.

Yours sincerely

Rosalind Baxter
Director of Education
