Dear Charlotte,

601/7093/1, OCR Level 3 Cambridge Technical Certificate in Sport and Physical Activity

601/7094/3, OCR Level 3 Cambridge Technical Extended Certificate in Sport and Physical Activity

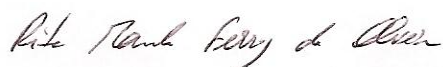

I have reviewed the content of the qualifications listed above.

I can confirm that we consider these qualifications to be suitable for consideration in our admissions process to both our BSc(Hons) Sport and Exercise Science and our BSc(Hons) Sports Coaching and Analysis, in line with published UCAS tariff rating. These qualifications fulfil entry requirements alongside other level 3 qualifications.

I believe that these qualifications will allow a student to develop the skills and knowledge they will need to progress and will better prepare them should they wish to continue into higher education. The inclusion of external assessment will better prepare students should they wish to continue into higher education. The content of these qualifications provide excellent foundations for a student to thrive in Sport Science degrees in Higher Education.

It is important to note that we do not offer preferential treatment to applicants with any particular Level 3 qualifications in accordance with our equal opportunities and admissions policies.

With best regards,

Rita F. De Oliveira, Senior lecturer, LSBU
