Dear Charlotte

As a professional body within the accountancy and finance sector, we are pleased to confirm that OCR has consulted with us as part of the development of the qualifications listed below:

- OCR Level 3 Cambridge Technical Certificate in Business
- OCR Level 3 Cambridge Technical Extended Certificate in Business
- OCR Level 3 Cambridge Technical Foundation Diploma in Business (VRQ)
- OCR Level 3 Cambridge Technical Diploma in Business (VRQ)

As part of this consultation we have provided feedback and guidance, which has been utilised in the design of the three units that together make up the accounting pathway in the qualifications identified above.

Having reviewed the content, we believe that students who complete these units should develop the required skills and knowledge that will facilitate progression into a workplace within the accountancy and finance sector.

In addition, we believe that our involvement in the development of these qualifications would provide those students who complete them a credibility when applying for related jobs or apprenticeships within the accountancy and finance sector, or indeed for those seeking to study at a higher level.

Yours sincerely

Shaun Robertson FCA
Director, Qualifications
