Dear Charlotte

**601/7093/1, OCR Level 3 Cambridge Technical Certificate in Sport and Physical Activity**

**601/7094/3, OCR Level 3 Cambridge Technical Extended Certificate in Sport and Physical Activity**

I have reviewed the content of the qualifications listed above and I can confirm that we consider these qualifications to be suitable for consideration in our admissions process to our BSc Hons Sport, Physical Education and Coaching Sciences in line with published UCAS tariff rating.

We believe that these qualifications will allow a student to develop the skills and knowledge they will need to progress and will prepare them appropriately, should they wish to continue into higher education. The inclusion of external assessment will be a suitable additional assessment tool, which should challenge students should they wish to continue into higher education. It will also help HE institutions to ascertain more validly at which levels students are achieving. This has been an issue with previous qualifications that were assessed exclusively by internal assessment methods.

It is important to note that we do not offer preferential treatment to applicants with any particular Level 3 qualifications in accordance with our equal opportunities and admissions policies.

Yours sincerely

Frank Herold
