Dear Charlotte

## OCR Level 3 Cambridge Technicals in Performing Arts

Rotherham College of Arts and Technology offers a range of Higher Education courses and provides professional training for local, national and international students, at Undergraduate and Postgraduate levels.

You have consulted with us on the development of the qualifications detailed below and I am happy to confirm that, as part of a portfolio of Level 3 qualifications which might also include A Levels and/or Vocational Qualifications, these would provide an appropriate basis for progression onto Level 4 programmes in Performing Arts. I can also confirm that we consider these qualifications to be suitable for consideration in our admissions process to our Level 4 and 5 courses and degree programmes, in line with published UCAS tariff rating.

601/7684/2 - OCR Level 3 Cambridge Technical Certificate in Performing Arts

601/7685/4 - OCR Level 3 Cambridge Technical Extended Certificate in Performing Arts

Yours sincerely

  
Martyn Howells
