

Become a Senior Assessor with OCR

Author

OCR invites applications from suitably qualified individuals to undertake the role of Author for the following specification(s):

Digital Industries Trailblazer

- Software Developer
- Network Engineer

As Author you will produce assessment material items that are innovative, engaging and accessible to all candidates.

The assessment items and related mark scheme/answer keys will be valid, reliable and error free and consistent with both the requirements of the specification and the format and style of items evidenced in the sample assessment material.

In order to undertake the role of Author you will have appropriate subject and assessment expertise, and have the ability to produce and review material to a specified brief. The ability to use IT confidently and effectively is essential to this role.

Authoring of assessment materials will be carried out at home, and remuneration of OCR assessors is on a task by task basis and varies with the demands of the qualification.

The closing date for applications is 09 October 2015.
