

PRINCIPAL LEARNING LEVEL 2 ENGINEERING

F548/01/1 The Engineered World

INSERT AND WORKPLACE SCENARIO

JANUARY 2015

INSTRUCTIONS TO PRESENTERS

- Please hand this copy of the Insert and Workplace Scenario to the candidate for use with questions 5 and 6.

INFORMATION FOR PRESENTERS

- This document consists of 4 pages. Any blank pages are indicated.

INSTRUCTION TO EXAMS OFFICER/INVIGILATOR

- Do not send this Insert for marking; it should be retained in the centre or recycled. Please contact OCR Copyright should you wish to re-use this document.

5 “Now I am going to give you a copy of this question.”

(The presenter gives the learner a printed copy of question five and also reads question five out).

Look carefully at Fig. 1 which shows serious pollution incidents affecting water, land and air in England and Wales.

Fig. 1

- (a) “State the years in which most incidents and least incidents occurred for each of water, land and air.”
- (b) “Please now explain what could have led to the difference in the number of incidents over this period of time.”

[Total: 10]

6 “Now I am going to give you a workplace scenario”.

(The presenter gives the learner a printed copy of the workplace scenario and also reads the scenario out).

Les, aged 18, has just started work in an engineering workshop. The manager has given him a job description, but has said nothing about his terms of employment.

“Now I am going to ask you a question about the workplace scenario”.

“What can you tell Les about the responsibilities of his employer and his responsibilities as an employee?”

[Total: 10]

**Copyright Information**

OCR is committed to seeking permission to reproduce all third-party content that it uses in its assessment materials. OCR has attempted to identify and contact all copyright holders whose work is used in this paper. To avoid the issue of disclosure of answer-related information to candidates, all copyright acknowledgements are reproduced in the OCR Copyright Acknowledgements Booklet. This is produced for each series of examinations and is freely available to download from our public website (www.ocr.org.uk) after the live examination series.

If OCR has unwittingly failed to correctly acknowledge or clear any third-party content in this assessment material, OCR will be happy to correct its mistake at the earliest possible opportunity.

For queries or further information please contact the Copyright Team, First Floor, 9 Hills Road, Cambridge CB2 1GE.
