SAMPLE ASSESSMENT MATERIAL

Level 3 Cambridge Technical in Health and Social Care
05830/ 05831/ 05832/ 05833
Unit 7: Safeguarding

Date – Morning/Afternoon
Time Allowed: 1 hour 30 minutes

INSTRUCTIONS
• Use black ink.
• Complete the boxes above with your name, centre number and candidate number.
• Answer all the questions.
• Write your answer to each question in the space provided.
• Do not write in the bar codes.

INFORMATION
• The total mark for this paper is 60.
• The marks for each question are shown in brackets [ ].
• Quality of extended response will be assessed in questions marked with an asterisk (*).
• This document consists of 10 pages.

Turn over
Answer all questions.

1 (a) (i) Explain what is meant by the term ‘safeguarding’.

...........................................................................................................................................
...........................................................................................................................................
...........................................................................................................................................
...........................................................................................................................................
........................................................................................................................................... [2]

(ii) Identify one example of a safeguarding measure.

........................................................................................................................................... [1]

(b) Identify four types of abuse.

1 ...............................................................................................................................................
2 ...............................................................................................................................................
3 ...............................................................................................................................................
4 ............................................................................................................................................. [4]

(c) Describe two different signs of abuse. Use examples to support your answers.

1 ...............................................................................................................................................
...............................................................................................................................................
...............................................................................................................................................
...............................................................................................................................................
...............................................................................................................................................
...............................................................................................................................................
...............................................................................................................................................
............................................................................................................................................. [2]

2 ...............................................................................................................................................
...............................................................................................................................................
...............................................................................................................................................
...............................................................................................................................................
...............................................................................................................................................
...............................................................................................................................................
...............................................................................................................................................
............................................................................................................................................. [2]
(d) Jasmine is 87 years old and has dementia. Give **two** reasons why Jasmine may be more likely to experience abuse.

1 ......................................................................................................................................................

2 ...................................................................................................................................................... [2]

(e)* Analyse **two** environmental factors which may make abuse more likely.

..........................................................................................................................................................

..........................................................................................................................................................

..........................................................................................................................................................

..........................................................................................................................................................

..........................................................................................................................................................

..........................................................................................................................................................

..........................................................................................................................................................

..........................................................................................................................................................

..........................................................................................................................................................

..........................................................................................................................................................

..........................................................................................................................................................

..........................................................................................................................................................

..........................................................................................................................................................

..........................................................................................................................................................

..........................................................................................................................................................

.......................................................................................................................................................... [10]
2 (a) (i) Identify two policies or procedures that a health and social care setting should have in place to safeguard vulnerable adults from abuse.

1 ..........................................................................................................................................
...............................................................................................................................................
...............................................................................................................................................[1]
2 ..........................................................................................................................................
.............................................................................................................................................[1]

(ii)* Outline the purposes of policies or procedures in safeguarding vulnerable adults.

..........................................................................................................................................
..........................................................................................................................................
..........................................................................................................................................
..........................................................................................................................................
..........................................................................................................................................
..........................................................................................................................................
..........................................................................................................................................
..........................................................................................................................................
.................................................................................................................................................[5]
(b) (i) For each of the groups below, identify a different piece of legislation that governs their safeguarding.

Vulnerable adults …..........................................................................................................................

Children and young people ........................................................................................................... [2]

(ii)* Analyse how one of the pieces of legislation you identified in part (b)(i) protects individuals from abuse.

............................................................................................................................................... [6]
Jane works in a residential care home for older people with dementia. While supporting a resident with his personal care, Jane discovers some bruising on his arm.

(a) Explain two appropriate courses of action that Jane should take to safeguard the resident.

1 ...............................................................................................................................................

.............................................................................................................................................

.............................................................................................................................................

.............................................................................................................................................

.............................................................................................................................................[4]

(b) Give two situations when it would be appropriate for Jane to break a resident’s confidentiality.

1 .............................................................................................................................................

.............................................................................................................................................[2]
4. Explain **three** ways an employee working in an early years setting could take actions to minimise the risk of abuse.

1. ..........................................................................................................................................................
   ..........................................................................................................................................................
   ..........................................................................................................................................................
   ..........................................................................................................................................................

2. ..........................................................................................................................................................
   ..........................................................................................................................................................
   ..........................................................................................................................................................
   ..........................................................................................................................................................

3. ..........................................................................................................................................................
   ..........................................................................................................................................................
   ..........................................................................................................................................................
   ..........................................................................................................................................................

[6]
Asif is 65 years old. His wife died three years ago. He lives on his own and he has no family or friends nearby. He has a hearing impairment.

Analyse how social isolation may make Asif more vulnerable to abusive situations.

### Question (c)

**Answer:**
- One mark for description, two required
  - unexplained injuries - burns, fractures, breaks, bruising, cuts, scars, malnourishment
  - inappropriate or sexualised behaviour
  - changing in behaviour - mood swings, low self-esteem, self-harm, social withdrawal, fear, suicidal thoughts
  - unexplained loss of money or possessions
  - fear of certain people or situations
  - unexplained loss of money or possessions

**Marks:**
- 4
- 2x2

**Guidance:**
Accept appropriate examples relating to effects of abuse.

### Question (d)

**Answer:**
- One mark for each correct answer, two required:
  - social isolation
  - lack of understanding
  - lack of mental capacity
  - communication difficulties/barriers
  - easy target
  - vulnerable

**Marks:**
- 2
- 2x1

**Guidance:**
Accept other suitable reason.

### Question (e)

**Answer:**
- Ten marks available for analysis, two environmental factors required
  - care services with institutional practices
  - adults and children residing in health and social care settings
  - health services (GP surgeries, physiotherapy practices)
  - independent living facilities
  - homelessness

**Marks:**
- 10

**Guidance:**
**Level 3 checklist**
There is a well-developed line of reasoning which is clear and logically structured. The information presented is relevant and substantiated.

**Level 2 checklist**
There is a line of reasoning presented with some structure. The information presented is in the most-part relevant and supported by some evidence.

### Question

- care and welfare of people who use services
- cooperating with other providers
- safeguarding and safety
- safeguarding people who use services from abuse.

### Children Act 2004 - Every Child Matters

- allowing children to be healthy
- allowing children to remain safe in their environments
- helping children to enjoy life
- assisting children in their quest to succeed
- helping make a contribution – a positive contribution – to the lives of children
- helping achieve economic stability for our children's futures.

### Working together to Safeguard Children (2006)

Safeguarding and promoting the welfare of children is defined for the purposes of this guidance as:

- protecting children from maltreatment
- preventing impairment of children's health or development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- taking action to enable all children to have the best outcomes

### Data Protection Act 1998

Data must be:

- processed fairly and lawfully (with informed consent of the subject)
- obtained only for legal purposes
- adequate and relevant for the purpose
- accurate and up to date
- not kept longer than is necessary
### Question

- subject to appropriate security measures
- not transferred to any country outside the European Economic Area, unless in the opinion of the
- information commissioner’s office, that country has adequate systems for its protection.

The Act requires particular care to be taken with sensitive personal information. This would include, for example, data about a person’s ethnicity, religious beliefs, physical and mental health, sexual matters.

### 3 (a)

**One mark for action, TWO required**

**One mark for explanation, TWO required**

- speak/report to her supervisor to log and get advice/report what’s happening/protect
- speak to the resident – find out why
- record details of the incident so that it is all recorded and abides by the law
- refer to policies/procedures so she can see what to do
- check the resident’s health as a result of the bruising
- check the other resident’s health to ensure they are not injured
