OCR Level 3 Cambridge Technicals in Health and Social Care

Dear Charlotte

Thank you for inviting for requesting review your new Cambridge Technical in Health and Social Care with a view to supporting these as Applied General Qualifications designed for those wishing to progress to Higher Education.

The courses I reviewed are:

OCR level 3 Technical Certificate in Health and Social Care (601/7059/1)

OCR level 3 Technical Extended Certificate in Health and Social Care (601/7060/8)

I am in support of these course. It is my professional opinion that the content of these courses are taught and assessed at an appropriate academic level and relevant to nurse education and other higher education courses.

Yours Sincerely

Karen Chandler  
Associate Professor
