

6 “Now I am going to give you a workplace scenario.”

(The presenter gives the learner a printed copy of the workplace scenario and also reads the scenario out).

John has just left school and has started work in an engineering workshop as a trainee. The supervisor tells him that he will be operating different types of machinery to make components.

“Now I am going to ask you a question about the workplace scenario.”

“What can you tell John about his own responsibilities and the responsibilities of his employer with regards to health and safety?”
