Dear Charlotte

Thank you for giving me to the opportunity to review the content of the qualifications listed below:

- 601/7698/2 OCR Level 3 Cambridge Technical Certificate in Business
- 601/7699/4 OCR Level 3 Cambridge Technical Extended Certificate in Business
- 601/7700/7 OCR Level 3 Cambridge Technical Foundation Diploma in Business
- 601/7701/9 OCR Level 3 Cambridge Technical Diploma in Business

Having reviewed drafts of U01 (The Business Environment), U02 (Working in Business) and U04 (Customers and Communications), I can confirm that the Business School at Wolverhampton University would recognise these qualifications, and would consider them as part of our admissions process onto undergraduate programmes, in line with published UCAS tariff ratings.

By including an element of external assessment alongside the development of vocational, work-based skills we believe that these qualifications will give students the subject knowledge that would be required to allow them to progress into higher education as well as practical skills that will help them in their transition to the workplace.

It should be noted, however, that our equal opportunities and admissions policies means that the Business School at Wolverhampton University does not give preferential treatment to applicants with any particular Level 3 qualifications.

Yours sincerely

June Dennis
Head of the University of Wolverhampton Business School
Deputy Dean, Faculty of Social Sciences
