Dear Charlotte

As an employer which employs staff in occupations within the Health and Social Care sector we employ a workforce of 180 providing Health and Social Care services to Adults.

We have reviewed the units for the following qualification/s:

05880 – OCR Level 2 Cambridge Technical Certificate in Health and Social Care – 603/0386/4

05881 – OCR Level 2 Cambridge Technical Diploma in Health and Social Care – 603/0388/8

We believe that the skills that any student will develop during this qualification will benefit us and the health and social care sector greatly.

In addition, we believe that these qualification/s would give a student an advantage when applying for related jobs or Apprenticeships within the Health and Social Care sector.

We confirm that a student completing these qualifications would develop specialist knowledge and skills at a level expected for an 17 year old starting work in Health and Social Care: As such this would stand them in good sted when applying for jobs such as Care Assisstant, Day Centre Assistant, Assistant Activities Co-ordinator.

Yours sincerely,
