Dear Charlotte,

As an employer that employs staff in occupations within the Health and Social Care sector we employ a total workforce of 32, including childcare assistants, learning support assistants, teaching and learning assistants and family support worker that provide Health and Social Care services to Children.

We have reviewed the units for the following qualifications:

05880 – OCR Level 2 Cambridge Technical Certificate in Health and Social Care – 603/0386/4

05881 – OCR Level 2 Cambridge Technical Diploma in Health and Social Care – 603/0388/8

We believe the skills and knowledge the students will develop when taking these qualifications will act as a basis for progression into employment within Health and Social Care.

In addition

- We believe that these qualifications would give a student an advantage when applying for related jobs or Apprenticeships within the Health and Social Care sector.
- We confirm that a student completing these qualifications would develop specialist knowledge and skills at a level expected for a 17 year old starting work in Health and Social Care. As such this would stand them in good stead when applying for jobs such as Childcare Assistant, Nursery Worker, Assistant Play worker.

Yours sincerely,

Gemma Gathercole
Chair of Governors and Academy Trustee
St Patrick's CE Primary Academy (including Nursery & Wraparound Provision)
