Dear Gareth,

RE: Level 2 Cambridge Technicals in Sport and Physical Activity

Sports Coach UK has reviewed the sports coaching relevant content of the following qualifications:

OCR Level 2 Cambridge Technical Certificate in Sport and Physical Activity (603/0520/4)

OCR Level 2 Cambridge Technical Diploma in Sport and Physical Activity (603/0521/6)

These qualifications cover aspects of coaching knowledge that underpin UKCC endorsed governing body coaching qualifications which are currently seen as the recommended industry standard for employment in sports specific coaching environments. Sports Coach UK support the position that learners that have successfully completed the Cambridge Technicals in Sport and Physical Activity will have achieved the appropriate knowledge learning outcomes for:

- **The role of the coaching assistant (National framework Level 1)**
- **Principles of the coaching assistant (Level 1)**
- **The role of the session coach (Level 2)**
- **Principles of session coaching (Level 2)**

On successful completion of these qualifications, together with the relevant NGB coaching qualification at the appropriate level, a learner will be able to gain entry to work in the sports industry as a sports coach in a position that is appropriate to their competencies.

Sports Coach UK welcome on-going collaboration with OCR to continue to support the development of sports coaching qualifications in the UK

Yours sincerely,

Anne Baker
