Dear Charlotte

**OCR Level 2 Cambridge Technicals in Engineering:**

- **603/0422/4 OCR Level 2 Cambridge Technicals Certificate in Engineering 180GLH**
- **603/0423/6 OCR Level 2 Cambridge Technicals Diploma in Engineering in Design Engineering 360GLH**
- **603/0423/6 OCR Level 2 Cambridge Technicals Diploma in Engineering in Production 360GLH**
- **603/0423/6 OCR Level 2 Cambridge Technicals Diploma in Engineering in Systems Engineering 360GLH**

JCB is one of the world's top three manufacturers of construction equipment. We employ around 12,000 people on four continents and sell our products in 150 countries through 2,000 dealer depot locations. JCB produces a range of over 300 machines and maintains a reputation for unrivalled customer service.

We recruit apprentices in for the design, production, manufacture, service and repair of excavation equipment. The skills and knowledge the students will develop when taking these qualifications will act as a basis for progression into the workplace in this sector.

We have reviewed the content of the Level 2 Cambridge Technicals in Engineering, and we are confident that the overall content will provide learners with the required skills and knowledge to apply for an engineering apprenticeship.

We are happy to support OCRs' submission for this qualification which will prepare young people for work

Yours sincerely

**David Bell**  
Chief Corporate Development Officer
