Dear Tricia

OCR Level 3 Cambridge Technicals in Health and Social Care

Thank you for inviting me to review your new Cambridge Technicals in Health and Social Care with a view to supporting these as Applied General Qualifications designed for those wishing to progress into Higher Education. The qualifications I have reviewed are:

OCR Level 3 Cambridge Technical Foundation Diploma in Health and Social Care (601/7061/X)

OCR Level 3 Cambridge Technical Diploma in Health and Social Care (601/7062/X)

I agree that these provide the basis for progression on to a range of courses within the Faculty of Health, Education and Life Sciences at Birmingham City University.

The inclusion of external assessment should ensure that these qualifications provide the learner with a range of assessment, providing good preparation for progression.

Yours sincerely

Louise C M Toner
Associate Dean (Academic Portfolio and Market Development)
Faculty of Health, Education and Life Sciences
