Final Examination Timetable, January 2018

Important Dates

10 October 2017: Open for January 2018 examination entries

21 October 2017: Deadline for the receipt of examination entries by OCR

7 March 2018: Results will be available by this date and can be released to candidates on receipt

Final version of the timetable

Changes made since the publication of the provisional timetable are shown in red.

Starting times of examinations

The published starting time of all examinations is either 9.00 am or 1.30 pm. Each examination must be taken on the day and at the time shown on the timetable.

Centres may change the starting time of an examination within the scheduled morning or afternoon session without notifying OCR but candidates must start morning examinations no earlier than 8.30 am and by 9.30 am and afternoon examinations no earlier than 1.00 pm and by 2.00 pm.

Candidates with more than one examination in a session should take these consecutively. A supervised break may be given between examinations taken consecutively at the discretion of the centre.

Centres may decide the order in which to conduct examinations for candidates taking more than one examination in a session.

Leaving the examination

Candidates must remain under supervision until 10.00 am for morning examinations and until 2.30 pm for afternoon examinations. For examinations of less than one hour's duration, candidates must be supervised until the published finishing time of the examination or 30 minutes after the published starting time, whichever is later.

Timetable deviations

If you need to arrange overnight supervision, the forms do not need to be returned to OCR but must be completed and held in your centre records. When a change is made to the published starting time of an examination, it is the responsibility of the centre to inform all candidates affected by the alteration.

Level 2 Cambridge Technicals

Please note, for the Level 2 Cambridge Technical subjects, there are 2 possible assessment sittings for Unit 1 (referred to as Variant 1 and Variant 2). Candidates **must** sit either Variant 1 or Variant 2; they **must not** sit both in the same series.

Exams Timetable Tool

The exams timetable tool contains dates for OCR, AQA, Pearson and WJEC examinations. It is available via The Exams Office website, www.theexamsoffice.org and can be used to search, collate, export and print timetable information. Please note that you will need to be a member to access the information. Enquiries about membership for this site must be directed to The Exams Office directly and not the individual awarding bodies.

Centres must ascertain the dates for any papers not shown on the OCR timetable from:
