We charge an annual centre fee of £515 for work-based learning centres and colleges offering our vocational qualifications. This is payable on 1 September each year and applies to centres who made entries between 1 August and 31 July the previous year. New centres, who make entries for the first time during 2017/18, will not be charged the fee until September 2018.

Without paying the annual centre fee, centres cannot make any new entries.

Where centres make entries using more than one centre number, only one fee will apply.

Vocational Qualifications

Centre approval fee (new centre) for verified schemes	427.45
Centre approval fee (for existing centres) for verified schemes	350.20
Inspection fee*	350.20

* Applied where a vocational centre that is not a school or college seeks approval to become an OCR Test Centre, ie one delivering examined qualifications. **(**For Certificates of Professional Competence, an inspection visit and fee is required **per venue**.**)**

Centres located outside the UK will need to negotiate prices for evaluation and verification individually.

Centres receive two free External Verifier visits per year, being incorporated into the candidate entry fees charged by OCR. However, OCR reserves the right to charge centres the standard visit fee (currently £350.20) for any extra visits or advisory visits over and above their normal allocation. Moreover, where a centre enters a small number of candidates per academic year, the standard visit fee will be applied. Please refer to the OCR website for further guidance.

OCR offers customers two fee options for the vast majority of our vocational qualifications.

Pay as you go – Units are purchased until such time that the required amount of credit has been achieved to attain a full qualification.
Pay up front – A simple one-off payment, payable in advance, that covers the cost of the whole qualification at a lower cost than Pay as you go.
