**INSTRUCTIONS TO CENTRES**

Centres should refer to the Administration Guidance for Vocational Qualifications (A850).

Centres are responsible for ensuring that the hardware and software to be used for the examination is in full working order and is sufficient to enable candidates to meet all the assessment criteria as specified in this Unit.

Errors occurring as a result of faulty or inappropriate hardware or software will not be taken into consideration by OCR. Centres must also ensure that hardware and software is set to UK English spelling and UK date format.

The letterhead is supplied by OCR on an exam disk or downloadable from OCR Interchange. Candidates must be made aware of the file location. **Centres must not make any alterations or amendments to recalled text or templates.**

The form template for use with Document 3 is provided by OCR. Candidates using word processors must use this form template. Candidates should input text at the insertion point indicated by \$. The \$ must be deleted by candidates when inputting the required text.

All candidates' work must be sent to OCR, including work candidates have crossed through.

If candidates are using a typewriter, the memory facility may be used, but this must be cleared before the commencement of the examination.

If using a word processor, candidates should be encouraged to save frequently while working through documents.

Centres must ensure that all printing, photocopying and routing carried out by candidates outside the examination time is supervised by the Invigilator.

Ensure that Invigilators are aware of the following:

- where candidates are using a typewriter, templates used in this examination must be pre-printed and made available
- where candidates are using a word processor, Invigilators must know the location of stored templates/recall material and the file names, as appropriate to this paper
- candidates must be asked to read the front cover of the question paper before the start of the examination
