

ADVANCED SUBSIDIARY GCE

SPANISH

Speaking

F721

ROLE PLAY C

1 December 2010 – 7 January 2011

- This Candidate's Sheet is to be handed to the candidate 20 minutes in advance.

INFORMATION TO CANDIDATES

- You should use the time available to study the instructions overleaf. You may make notes on this sheet, which you should take into the examination room with you.
- When the test begins you will be asked:
 - (i) to carry out the task described overleaf
 - (ii) to discuss with the examiner a topic or text which you have prepared during the course. The topic must refer to Spain or a Spanish-speaking country/community.
- You may not use a dictionary.

There are two sections to this examination:

- A. Role-play (5-6 mins) [30 Marks]
- B. Topic discussion (9-10 mins) [30 Marks]

- Candidates may bring into the examination a maximum of one side of A4 notes for the Topic discussion.

ROLE PLAY C: CANDIDATE'S SHEET

Note to the candidate: You should begin by asking the two questions. The task can then be completed in the order you prefer. You should base your replies on the English text, but sometimes you will need to use your imagination and initiative to react to the examiner's comments and questions.

Situación

Estás hablando con un español / una española que ha venido a este país con su familia para trabajar. Ha recibido un folleto y te pide información.

Tarea

Tienes un folleto sobre las precauciones que se deben tomar durante una ola de calor. Tienes que explicarle al español / a la española el contenido del folleto y convencerle de que es importante seguir el consejo ofrecido en el folleto.

Primero debes preguntar sobre:

- 1 detalles de la familia española**
- 2 el tipo de trabajo que hace**

Tienes que explicar:

- las características de una ola de calor
- la gente especialmente afectada
- lo que debes hacer en casa
- lo que debes hacer cuando sales
- cómo se puede obtener más información

Durante la conversación también se hablará de:

- para ti, ¿qué tipo de tiempo es preferible y por qué?
- tu opinión sobre las campañas de información de este tipo

Look after yourself and others during a heatwave

High temperatures day after day can be dangerous.

Some people are at greater risk, including:

- older people, babies and young children
- outdoor workers
- people doing sport
- anyone taking certain medicines or with a serious medical condition.

What to do:

Use common sense. Plan ahead!

Listen to your local weather forecast.

Stay inside during the hottest part of the day (11am – 3pm).

Only do physical activity in the early morning or evening.

While the room is cooler, keep windows closed, but open them at night for ventilation.

Drink regularly – water or fruit juice are best. Avoid alcohol and hot drinks.

Eat normally, especially cold food, salads and fruit.

Outside, stay in the shade. Wear a hat and light clothes. Take some water with you.
