

**General Certificate of Secondary Education
Home Economics (Food and Nutrition)**

B002CA

Unit B002: Food Study Task

Specimen Controlled Assessment Task

INSTRUCTIONS TO TEACHERS

- Please refer to Section 5 of the Home Economics (Food and Nutrition) specification for instructions on completing controlled assessment tasks.
- Please refer to Appendix B of the specification for detailed controlled assessment teacher guidance.
- The enclosed task is contextualised to an area of development/interest to the candidate. This will enable them to give clear reasons for choosing to research the topic.

This document consists of **2** printed pages.

Candidates complete the Food Study Task structure in the specification, using the theme below.

The implications of a limited income on food choice.

An example of how this can be developed is:

- Some elderly people have a limited income, consequently their food choices need careful planning. Research the needs of this group and consider how their needs may be met on a limited income.
- Plan and make a selection of items which are suitable for this group of people.
- Evaluate your work.
