

Please read the instructions printed at the end of this form. **One** of these sheets, suitably completed, should be attached to the assessed work of **each** candidate.

Unit Title	Innovation, enterprise and technological advance	Unit Code	F555	Session	Jan / June	Year	2	0		
Centre Name						Centre Number				
Candidate Name						Candidate Number				

Marking Criteria – total marks for this unit is 60						Teacher Comment	Page
Ref	Band 1	Band 2	Band 3			Mark	
1.1	Has used a few sources of information to investigate the chosen product with regard to innovation and creativity [0 1 2 3]	Has identified a limited range of sources of information to investigate the chosen product with regard to innovation and creativity [4 5 6]	Has used a number of sources of information to investigate the chosen product with regard to innovation and creativity and justified their use [7 8 9]				
2.1	Can outline the basic protection of the design for the chosen product [0 1 2 3]	Can describe how the protection of the design for the chosen product works and what effect it has had on that product [4 5 6]	Can explain why the relevant protection(s) was selected for the chosen design and detail how it works and the costs involved [7 8 9]				

Marking Criteria – total marks for this unit is 60							Teacher Comment	Page
Ref	Band 1	Band 2	Band 3				Mark	
3.1	Has identified basic details of research activity, developmental work and finance [0 1 2 3 4 5]	Has explained the relevance of research activity, developmental work and finance [6 7 8 9 10]	Has outlined in detail, research activities and developmental work and justified the financial decisions which have been made [11 12 13 14 15]					
4.1	Can give basic details of materials and processes used in the production of the chosen product	Can explain why the materials and processes were used for the chosen product	Can explain and justify the use of the materials and processes used in the chosen product and suggest alternatives together with reasoning of why they were not used				Mark	
4.2	Can identify, with reference to the chosen product, the effects of the engineering technologies in the home, the workplace and built environment [0 1 2 3 4 5 6]	Can explain, with reference to the chosen product, the cause and effects of engineering technologies in the home, the workplace and the built environment [7 8 9 10 11 12]	Can explain and evaluate, with reference to the chosen product, the cause and effects of engineering technologies in the home, the workplace and the built environment [13 14 15 16 17 18]					
5.1	Has identified, with reference to the chosen product, the environmental and social impacts of engineering and sustainability of resources [0 1 2 3]	Has explained, with reference to the chosen product, the environmental and social impacts of engineering and sustainability of resources [4 5 6]	Has explained and evaluated, with reference to the chosen product, the environmental and social impacts of engineering and sustainability of resources [7 8 9]				Mark	
Total/60								
If this work is a re-sit, please tick <input type="checkbox"/>		Session and Year of previous submission	Jan / June	2	0	Please tick to indicate this work has been standardised internally <input type="checkbox"/>		

Please note: This form may be updated on an annual basis. The current version of this form will be available on the OCR website (www.ocr.org.uk).

Guidance on Completion of this Form

- 1 One sheet should be used for each candidate.
- 2 Please ensure that the appropriate boxes at the top of the form are completed.
- 3 Please enter *specific* page numbers where evidence can be found in the portfolio, and where possible, indicate to which part of the text in the mark band the evidence relates.
- 4 Circle the mark awarded for each strand of the marking criteria in the appropriate box and enter the circled mark in the final column.
- 5 Add the marks for the strands together to give a total out of 60. Enter this total in the relevant box.
