Assessment

All ITQ units may be assessed using any method, or combination of methods, which clearly demonstrates that the learning outcomes and assessment criteria have been met.

Assessments must also take into account the additional information provided in the unit Purpose and Aims relating to the level of demand of:

- the activity, task, problem or question and the context in which it is set;
- the information input and output type and structure involved; and
- the IT tools, techniques or functions to be used.

See Assessment Methods in the ITQ Centre Handbook for Apprenticeships.

Evidence requirements

An evidence checklist must be completed without gaps. Individual unit checklists are available to download from the qualification [webpage](#) (see forms).
