This unit needs to be assessed in line with the Training and Development Agency (TDA) QCF Assessment principles.

Assessment decisions for competence based learning outcomes (eg those beginning with 'Be able to') must be made in a real work environment by an occupationally competent assessor. Any knowledge evidence integral to these learning outcomes may be generated outside of the work environment but the final assessment decision must be within the real work environment.

This unit is competence based. This means that it is linked to the candidate's ability to competently perform a range of tasks connected with their work. This unit may be assessed using any method, or combination of methods, which clearly demonstrates that the learning outcomes and assessment criteria have been met. This unit requires workplace assessment of occupational competence.

Assessment criteria 2.1, 2.2, 2.3, 2.4, 3.1, 3.2, 3.3, 3.4 and 3.5 must be assessed in the workplace.

Competence based assessment must include direct observation as the main source of evidence.
