<b>Learning Outcomes</b> The learner will:	<b>Assessment Criteria</b> The learner can:	<b>Exemplification</b>
	<p>4.6 Describe what action to take if an individual decides to take an unplanned risk that places him/herself or others in immediate or imminent danger</p> <p>4.7 Explain why it is important to record and report all incidents, discussions and decisions concerning risk taking</p>	
5 Understand how to support individuals with disabilities to manage identified risks	<p>5.1 Explain the importance of including risks in the individual's support plan</p> <p>5.2 Explain why it is important to review risks in the individual's support plan</p> <p>5.3 Outline why it is important to communicate and work in a consistent way with all those supporting the individual</p> <p>5.4 Describe ways of supporting individuals with disabilities to test out the risk they wish to take</p>	

## Assessment

---

This unit needs to be assessed in line with the Skills for Care and Development QCF Assessment principles.

This unit may be assessed using any method, or combination of methods, which clearly demonstrates that the learning outcomes and assessment criteria have been met.

## Guidance on assessment and evidence requirements

---

OCR does not stipulate the mode of delivery for the teaching of the content of this unit. Centres are free to deliver this unit using any mode of delivery that meets the needs of their candidates. Centres should consider the candidates' complete learning experience when designing learning programmes.

## National Occupational Standards (NOS) mapping/signposting

---

This unit has been developed by Skills for Care and Development in Partnership with Awarding Organisations. It is directly relevant to the needs of employers and relates to national occupational standards developed by Skills for Care and Development.

As such, the unit may provide evidence for the following national occupational standards in health and social care developed by Skills for Care and Development:

HSC 240

**NOS can be viewed on the relevant Sector Skills Council's website or the Occupational standards directory at [www.ukstandards.co.uk](http://www.ukstandards.co.uk)**

## Functional skills signposting

---

This section indicates where candidates may have an opportunity to develop their functional skills.

Functional Skills standards can be viewed at <http://www.qcda.gov.uk/15565.aspx>

Functional Skills Standards					
English		Mathematics		ICT	
Speaking and Listening		Representing		Use ICT systems	✓
Reading	✓	Analysing		Find and select information	✓
Writing	✓	Interpreting		Develop, present and communicate information	✓

## Additional information

---

For further information regarding administration for this qualification, please refer to the OCR document '*Administrative Guide for Vocational Qualifications*' (A850).

This unit is a shared unit. It is located within the subject/sector classification system 01.3 Health and Social Care.
