

## NOTICE TO CENTRES

FAO: Classics Head of Departments

Date: November 2011

Subject: Entry Level Latin Component 1 tests

### REVISIONS TO COMPONENT 1 TESTS FOR ENTRY LEVEL LATIN

Following the first session of the Entry Level tests we have decided to make some small changes to the existing tests to fix one or two small issues spotted during the session, provide a little more guidance on marking the tests and separate the mark scheme from the Question papers to prevent accidental distribution to candidates.

These revised tests are now available on Interchange. As with the previous versions of the tests we would ask that you treat this material as confidential at all times and do **not** hand marked copies of the tests back to candidates.

The old versions of the test are still valid assessments so if you have already used the old tests or saved candidate work to be submitted in 2012 moderators will treat them as valid tests and moderate them in the same way.

If you have any queries about this notice, please call our Customer Contact Centre on 01223 553998.
