

### Important Dates

- 4 October 2012:** Receipt of final entries by OCR  
**9 January 2013:** Restricted release of results to centres only via EDI and OCR Interchange  
**10 January 2013:** Release of results to candidates

### Provisional version of the timetable

The final version of the timetable will be published in June 2012.

Centres must ensure that candidates take OCR's examinations at the times indicated on the timetable. In notifying candidates of the dates and times of their examinations, **centres must not place reliance upon the provisional timetable which is provided for the purpose of consultation only.**

### Starting times of examinations

The published starting time of all examinations is either 9.00 am or 1.30 pm. Each examination must be taken on the day and at the time shown on the timetable.

Centres may change the starting time of an examination within the scheduled morning or afternoon session without notifying OCR but candidates must start morning examinations no earlier than 8.30 am and by 9.30 am and afternoon examinations no earlier than 1.00 pm and by 2.00 pm.

Candidates with more than one examination in a session should take these consecutively. A supervised break may be given between examinations taken consecutively at the discretion of the centre. Centres may decide the order in which to conduct examinations for candidates taking more than one examination in a session.

### Leaving the examination

Candidates must remain under supervision until 10.00 am for morning examinations and until 2.30 pm for afternoon examinations. For examinations of less than one hour's duration, the candidates must remain under supervision for a period equal to the duration of the examination after the published starting time shown on the timetable.

### Timetable deviations

If you need to arrange overnight supervision, the forms do not need to be returned to OCR but must be completed and held in your centre records. When a change is made to the published starting time of an examination, it is the responsibility of the centre to inform all candidates affected by the alteration.

### Interboard Examinations Timetable

The interboard examinations timetable contains dates for OCR, AQA, CCEA, Edexcel and WJEC examinations in GCSE, GCE, ELC, AEA and FSMQ. It is available via the OCR website [www.ocr.org.uk](http://www.ocr.org.uk), and can be used to search, collate, export and print timetable information.
