Despatch of materials: Speaking test materials for the **whole year** will be despatched after receiving centres' request by the 05/10/11 deadline above. Centres who start using Asset Languages later in the academic year and who wish to make entries for Speaking, should request Speaking test materials as soon as possible. The materials will normally be despatched 4 weeks after receiving the request.

Listening, Reading and Writing test materials for each series will normally be despatched, on the basis of final entries, 7 to 10 days before a testing window begins.

Following feedback from centres, the despatch of certificates for the June 2012 series takes place after the issue of results. Certificates are despatched via a secure, signed for service, and this enables centre staff to be available to receive them.
