	Working with Others Level 2 Example Portfolio	£5.20	P104
	Improving own Learning and Performance Level 3 Example Portfolio	£5.20	P105

These example portfolios are based on the 2004 Key Skills standards and provide practical guidance on:

- The type of work being used to evidence key skills
- The amount of evidence needed
- How to organise and reference evidence
- How to record assessment decisions and feedback.

Each portfolio includes real work from real candidates and commentaries by OCR's principal moderators which describe the content and clarify assessment issues.
