

## OCR Qualifications Available in Active Results

This document lists the units and specifications available for analysis in Active Results for the June (2019, 2022, 2023) November (2019, 2022 & 2023) & January (2022, 2023 & 2024) examination series. Please note that not all qualifications are examined in every series. There will also be historical data available for qualifications from historical series.

The following qualifications are available on Active Results: A Level, AS Level, GCSE and Cambridge Nationals (examined moderated units & exceptional autumn series only).

Different levels of analysis are available for different qualifications due to the results information available. These levels are displayed below showing which reports are available at each level. All qualifications can access at least the reports in Level 1. The level of analysis applicable to each qualification is shown next to each unit.
