Dear OCR,

As an employer I believe that the following qualifications will enable students in the 16-19 age range to develop knowledge and skills relevant to employment in business and that the standard of knowledge and skills is suitable for an 18 year old in full time education. I believe a student who achieves one of the following qualifications should be effectively prepared for related jobs, apprenticeships, training or higher education courses:

OCR Level 3 Cambridge Technical Certificate in Business (QCF)
OCR Level 3 Cambridge Technical Introductory Diploma in Business (QCF)
OCR Level 3 Cambridge Technical Subsidiary Diploma in Business (QCF)
OCR Level 3 Cambridge Technical Diploma in Business (QCF)
OCR Level 3 Cambridge Technical Extended Diploma in Business (QCF)

The content within these qualifications prepares the learner for a career in business and I support them for inclusion in the school and college performance tables for 16-19 year olds. I believe that these qualifications will allow learners to develop the skills and knowledge they will need to progress into more specialist qualifications or directly into employment.

Yours

Ruth Amos
