UNITS 90 AND 91 – REPLACEMENT UNITS TO BE INTRODUCED

There are currently two units within the Creative & Digital Media Competence Diploma which have been updated by C-Skills (Construction Skills). The new versions of these units will replace the existing units on 31 December 2013.

The existing units which will be updated are:

Unit	Unit title	Credit value	Qualification number
90	Applying Coatings by the Airless Spray Method in the Workplace (Level 2)	13	R/600/7192
91	Producing Broken Colour Work and Basic Stencilling in the Workplace (Level 2)	18	R/600/7371

The replacement units, which will be introduced from 1 January 2014, will be live for entries shortly. These are as follows:

Unit	Unit title	Credit value	Qualification number
93	Producing Broken Colour Work in the Workplace (Level 2)	12	L/503/9810
94	Producing Stencil Designs using Pre-cut Stencil Plates in the Workplace (Level 2)	12	L/503/9953
95	Applying Coatings by the Airless Spray Method in the Workplace (Level 3)	17	D/503/9732

Any candidates currently working towards Units 90 or 91 should claim these units and have certificated them by 31 December 2013.

Any candidates currently working towards these units who have not completed or claimed by the 31 December 2013 must be assessed against the new units. Candidates studying for Unit 90 will be assessed against Unit 95, and candidates studying for Unit 91 will be assessed against Units 93 and 94.
