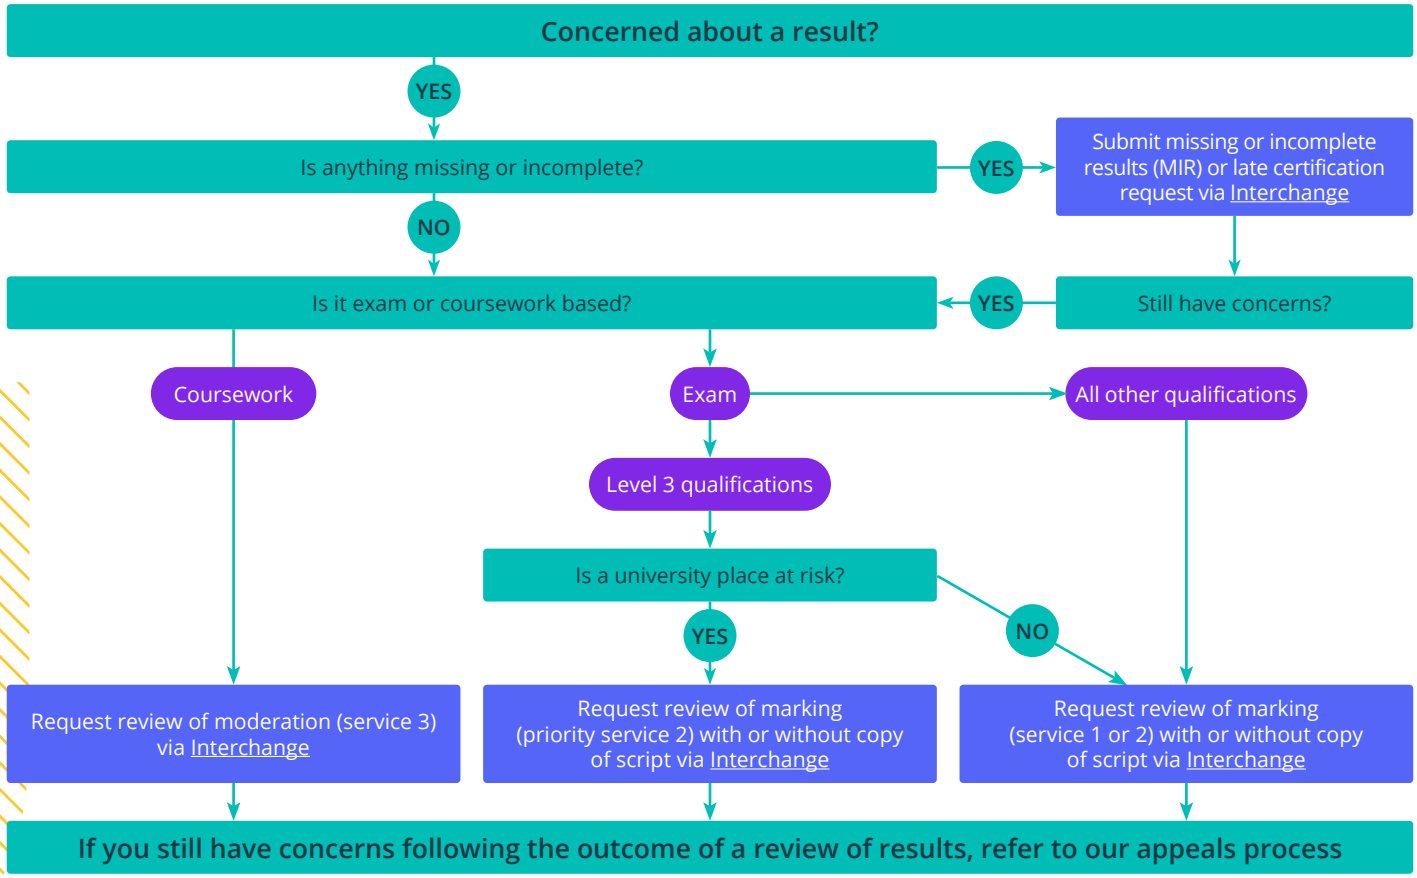
Post-results services and fees: June 2026 series

CAMBRIDGE OCR

There are a number of options available if you have a concern about a result. In all cases, you can download candidates' scripts for free before you submit a review. **Here's a quick guide to your main options**:



Our services *explained*

Missing results

Missing and incomplete results (MIR) – (free) an investigation to check if a result indicator – no result (X), partial absence (#) or pending (Q) – has been wrongly applied. Request via Interchange.

Late certification – (free) request when a certification entry has not been made for a Cambridge Nationals, Cambridge Advanced Nationals or Level 3 Certificate in Sustainability qualification. Request via Interchange.

Reviews of results

Service 1: Clerical re-check (£12.00) of all procedures leading to the issue of a result (free for Cambridge Technicals). Request via Interchange.

Service 2: Review of marking (£67.75) to ensure the agreed mark scheme has been applied correctly. If you are concerned about a group of candidates, you should submit requests for all candidates you believe are affected. Request via Interchange.

Priority service 2: Review of marking (£83.50) as for service 2, but only available for Level 3 qualifications including AS and A Levels and Cambridge Technicals in the June series. Request via Interchange.

Service 2a and 2b: Review of marking (£147.00/£313.50) for Cambridge Technicals Performing Arts units and general qualification components where access to scripts is not available. Request via Interchange.

Service 3: Review of moderation (£313.50) review of the original moderation to ensure assessment criteria have been fairly, reliably and consistently applied. Request via Interchange.

Copy of a reviewed script – (free) a PDF copy of the reviewed script to be made available after the review has been completed.

Access to scripts

A **free** PDF copy of the original marked script to help you decide whether to request a review of marking and to support teaching and learning. Centres can download copies of scripts using the Access to Scripts* service from candidate results days.

*Request access to scripts for the Cambridge Technicals on-screen tests via Interchange.

Deadlines

- **20 August 2026** – priority reviews of marking (Level 3 qualifications only)
- **24 September 2026** – reviews of results, missing and incomplete results, late certification and Cambridge Technicals on-screen tests access to scripts requests
- **31 October 2026** – downloading scripts from Access to Scripts service

Students should speak to a teacher or exams officer at their school or college about post-results services.

Private candidates can request access to scripts, reviews of results and appeals directly from Cambridge OCR.
