3 Be able to manage the use of physical resources	3.1 Take action to ensure physical resources are used in accordance with manufacturers' instructions 3.2 Evaluate the efficiency of physical resources against agreed criteria 3.3 Recommend improvements to the use of physical resources and associated working practices 3.4 Analyse the benefits of effective equipment in the conservation of energy and the environment	

## Assessment

This unit is internally assessed by centre staff and externally verified by OCR Assessors.

## Guidance on assessment

Skills CFA Assessment Strategy Competence units (S/NVQ)

## National Occupational Standards (NOS) mapping/signposting

The mapping in the table below provides an indication of where evidence might be available for assessment against some of the knowledge and understanding contained in the national occupational standards (NOS). It does not claim to guarantee that evidence will meet the NOS.

NOS can be viewed on the relevant Sector Skills Council's website or the Occupational standards directory at [www.ukstandards.co.uk](http://www.ukstandards.co.uk).
