Extension and withdrawal of Digital Literacy (01779)

ITQ Unit number	Unit title	Credit Value	Unit reference number
86	Digital Literacy (Entry 3)	3	A/600/1161

Following a review of the OCR Entry Level Award in Digital Literacy (01779) we have decided we will be withdrawing this qualification in 2016. In order to ensure continuity of provision, we will extend the qualification in the interim period. If learners plan to use credits achieved from the Entry Level Award in Digital Literacy towards ITQ, then they must complete the Digital Literacy qualification by the dates given below:

Last entry date	30/6/2016
Last certificate date	30/9/2016

Once the Digital Literacy qualification has been achieved, learners can continue to use the credits towards a Level 1 ITQ qualification beyond 30 September 2016.

We are developing a new suite of qualifications called Digital Employability which will be available at Entry 1, 2, 3 and Level 1. This qualification will provide the knowledge and skills needed to function in today's workplace, and as a digital citizen, and will be launched in September 2015.
